EXPERIENCE

Freelance Graphic Designer

Graphic Designer • June 2024 - Present

- Conducted client consultations to understand design objectives and translate ideas into effective visual solutions.
- Provided strategic design recommendations based on current trends and best practices, resulting in improved client satisfaction and retention.
- Developed, executed and effectively managed multiple design projects, ensuring on-time delivery and high design quality.

CreativeHub 1352

Marketing Assistant/Graphic Designer • March 2024 - April 2024

- Worked alongside the Marketing Coordinator to create email newsletters and website updates to keep interested parties apprised of current and upcoming events and volunteering opportunities.
- Designed content advertising current events on social media platforms like Instagram, LinkedIn, and Facebook.
- Organized and designed presentations using audience research data and feedback on events and programs.

IGNITE Student Life

Graphic Designer • May 2023 - April 2024

- Conceptualized and designed promotional materials, including event posters, branded merchandise, banners, motion graphics, digital signage, and social media graphics, to advertise events to the student body.
- Maintained and ensured consistency in IGNITE's visual identity across all social media platforms.
- Collaborated with other teams, including Brand Ambassadors and Customer Service Representatives to ensure design efficacy.
- Created illustrations, fact sheets and infographics to educate the student body on scholarships and bursaries.
